## Experience

**Keswick Cycle** | Glenside, PA  
**Sales associate** | 2014 - Present

Sell high end road/triathlon bicycles to clients. Professionaly fit clients to the bike and size they require. Determine the most efficient route of products that corresponds to the clients needs. Sell indoor trainers with a comprehension of how each trainer benefits the client based off of their cycling experience. Manage special orders for clients. Sell/install roof & hitch racks for vehicles. Assist in managing and organizing store. Delivering merchandise to clients directly to their homes or to one of the other Keswick cycle locations.

**Roy's Sheepshead Cycles** | **Brooklyn, NY**  
**Sales associate** | 2013

Sold expensive commuter bicycles to clients. Fit customers to bicycles based of their geometry. Sold cycling apparel to clients, such as shoes, helmets, jerseys, and shorts. Sold car racks with installation made on various models. Packaged merchandise for international shipping. Managed incoming shipments which varied anywhere from 20-200 items. Ensured the fit and ride were both efficient and comfortable for the client before selling them the product.

**Spokesman Cycles** | **New York, NY**  
**Sales associate** | 2012

Sold inexpensive bicycles and equipment to clients. Handled the cash register. Managed inventory. Transferred repair bicycles to second store. Managed customer orders.

**St. Helens Church** | **Westfield, NJ**  
**Secretary** | 2009 - 2011

Provided secretarial work to the parish staff. Managed the security of the building by locking up. Answered/transferred phone calls and managed the appliances throughout the building. Lead visitors to their desired location. Set up gymnasium for any church events.

**Bennett's Bicycles** | **Staten Island NY**  
**Mechanic** | 2008

Mainly build and fixed kids bikes. Trained to repair flats on adult bikes.
